

Certificate of Completion

This certificate confirms that

Lauren Ruiz

Has successfully completed the following:

Certified Application Counselor (CAC) Curriculum

Completion of the CAC Curriculum does not complete the certification process for CACs. The CMS approved CAC Designated Organization (CDO) must certify an individual as a CAC and assign the individual with a CAC identification number upon completion of the CAC Curriculum.

In addition, completion of the CAC Curriculum may not fulfill the requirements to serve as a CAC under state law. To be fully certified as a CAC, an individual must comply with any licensing, certification, or other standards prescribed by the State, if applicable. Please consult with your CDO and your state's

Department of Insurance to ensure you are in compliance.
